The 'Gopher ski club is traveling to The Grande Geneva at Lake Geneva for a one day trip to introduce the sport of skiing to those who have never skied or those that want to improve their skiing skills! For a limited number of individuals, one new skier will be paired with one experienced skier for the entirety of the trip (except your lessons). You'll have your own Sno-gopher ski buddy for the day. We'll help you get started and show you the ropes. Join us for this day of introduction to or improvement of skiing. Make your \$25 deposit today to guarantee your spot!!
